This year's goal is \$30,000 to start the fund raising for our kitchen/dining upgrades!

Our newest goal is to raise \$200,000 to upgrade our kitchen and dining rooms to provide a more 'home' like dining experience for our residents. Ensuring that anyone living at Mont St. Joseph Home is truly living their life at 'home'.

Team registration is \$350. Contact Jessica at our Foundation office at 306-922-4663 to sign-up today!
